

Paid Internship Opportunity

After 25 years of producing local, organic, sustainable food on our farm, we are undertaking the establishment a centre for the rural arts. We need a dynamic person to assist us in developing all aspects of Wolf Hollow Rural Arts. This exciting and challenging 9-month internship begins immediately. You will earn as you learn. You will work hard, but the work and the people you experience will be so rewarding that your efforts will be well worth the investment.

Our starting salary is \$13.00/hr with the possibility of an increase after 3 months. You must be under 30 years of age, and you must be a recent college or university graduate. You will require a dependable vehicle to get to our country location.

At Wolf Hollow our focus is on the nature of rural life which includes: animal husbandry, sustainable farmland management, identifying invasive species, organic gardening, culinary arts, community supported agriculture and the crafts of timber framing, log building, wood joinery, and windsor chair making.

If you think you can work carefully in and around 19th century buildings, and are excited by the possibility of assisting world-class artisans, during both the building phase and workshop development then you should email us your résumé and a cover letter telling us about yourself and why you think you'll be terrific at this job to: ks@kos.net

Wolf Hollow Farm and Rural Arts are scent-free and non-smoking environments.

This is a gender-neutral position.
