

# Garden of Wishes

## Kindness to the Earth

Choose items found on the ground.

Take only what you need.

Be gentle with your items.

Thank the Earth for helping you make this beautiful art!

Leave your art in place for others to enjoy.

Find a natural object, like a small rock or leaf.  
Hold the object to your heart and think of a kind wish you would like to make for the Earth.

Place your object on the ground and make your wish. Find another object, make another wish, and place your items together in a pattern of your choice.

How does it feel to make kind wishes to the Earth? Is there a wish you would like to make for yourself?
