

Natural Symphony

Kindness to the Earth

Choose items found on the ground.

Take only what you need.

Be gentle with your items.

Thank the Earth for helping you make this beautiful art!

Leave your art in place for others to enjoy.

Close your eyes and listen. How many different sounds can you hear? Who plays in this natural symphony today?

Choose a natural object and respond to a sound. Can you match the rhythm and tone? Experiment with different natural materials.

How do you play in your community's natural symphony? Are there moments when you lead the rhythm? When do you follow?
