

Taking it to the next level... some research questions to explore.

1. Investigate the material culture of local Indigenous groups to see what art is being made. How is it made?
 - a. Wampum belts
 - b. Clothing from animal hide
 - c. Ribbon skirts

2. Explore Canada's deforestation rate. Is it sustainable? What could we do to make it sustainable?

3. Choose a local animal. Investigate all uses its carcass would be put toward for a local First Nation.
