Nature Paintings

Collect natural materials from the ground around you and create a land art "painting".

How many different colours are in your "painting"? Are your materials soft or hard? Bumpy or smooth?

As you create your painting, consider who this painting is for. Is it for a dear friend? It is for an animal you met today? It is a gift to the Earth?

Kindness to the Earth

Choose items found on the ground.

Take only what you need.

Be gentle with your items.

Thank the Earth for helping you make this beautiful art!

Leave your art in place for others to enjoy.
