

# Tracing Shadows

## Kindness to the Earth

Choose items found on the ground.

Take only what you need.

Be gentle with your items.

Thank the Earth for helping you make this beautiful art!

Leave your art in place for others to enjoy.

How many shadows can you see around you? Trace a shadow on the ground with found objects like fallen leaves or pebbles.

If you are with a friend, trace each other's shadow. How are your shadows alike? Can you match your shadow with your friend's?

How do you leave positive traces in the lives of people around you? What traces to do you leave on the Earth?
